### Purpose of credit

10. The Applicant acknowledges and agrees that any credit to be provided by the Supplier to the Applicant is to be applied wholly or predominantly for commercial purposes.

### Formation of contract

11. Quotations made by the supplier will not be construed as an offer or obligation to supply in accordance with the quotation. The Supplier reserves the right to accept or reject, at its discretion, any offer to purchase received by it. Only written acceptance by the Supplier of the Applicant's offer will complete a contract.
12. Placement of an order, either verbally or in writing, will imply acceptance of the Supplier's offer and of these terms and conditions.

### Retention of title

13. Title in the goods does not pass to the Applicant until the Applicant has made payment in full for the goods, and further, until the Applicant has made payment in full of all the other money owing by the Applicant to the Supplier. This whether in respect of money payable under a specific contract or on any other account whatsoever.
14. While the Applicant has not paid for the goods supplied in full at any time, the Applicant agrees that property and title in the goods will not pass to the Applicant and the Supplier retains the legal and equitable title in those goods supplied and not yet sold.
15. Until payment in full has been made to the Supplier, the Applicant will hold the goods in a fiduciary capacity for the Supplier and agrees to store the goods in such a manner that they can be identified as the property of the Supplier, and further the Applicant will not mix the goods with other similar goods.
16. The Applicant will be entitled to sell the goods in the ordinary course of its business, but until full payment for the goods has been made to the Supplier, the Applicant will sell as agent and bailee for the Supplier and the proceeds of sale of the goods will be held by the Applicant on trust for the Supplier absolutely.
17. The Applicant's indebtedness to the Supplier, whether in full or in part, will not be discharged by the operation of clause 16 hereof unless and until the funds held on trust are remitted to the Supplier.
18. The Applicant agrees that whilst property and title in the goods remain with the Supplier, the Supplier has the right, with or without prior notice to the Applicant, to enter upon any premises occupied by the Applicant (or and receiver, receiver and manager, administrator, liquidator or trustee in bankruptcy of

- the Applicant) to inspect the goods of the Supplier, and to repossess the goods which may be in the Applicant's possession, custody or control when payment is overdue.
19. The Applicant will be responsible for the Supplier's costs and expenses in exercising its rights under clause 18. Where the Supplier exercises any power to enter the premises, that entry will not give rise to any action of trespass or similar action on the part of the Applicant against the Supplier, its employees, servants or agents.
  20. The Applicant agrees that where the goods have been retaken into the possession of the Supplier, the Supplier has the absolute right to sell or deal with the goods, and if necessary, sell the goods with the trademark or name of the Applicant on those goods, and the Applicant hereby grants an irrevocable licence to the Supplier to do all things necessary to sell the goods bearing the name or trademark of the Applicant. In such a case the Supplier may retain all monies sufficient to cover the Applicant's debts to the Supplier, including all related legal, administrative and default costs incurred by the Supplier.
  21. For the avoidance of doubt, the Supplier's interest constitutes a 'purchase money security interest' pursuant to the *Personal Property Securities Act 2009 (PPSA)*.

#### **Cancellation of terms of credit**

22. The Supplier reserves the right to withdraw both credit and cash supply at any time, whether the Applicant is in default under the terms of this agreement or not.
23. Upon cancellation with or without notice all liabilities incurred by the Applicant become immediately due and payable to the Supplier.

#### **Indemnity**

24. The Applicant agrees to indemnify the Supplier and keep the Supplier indemnified against any claim arising due to default or similar in relation to this Agreement. This indemnity includes any legal fees and expenses the Supplier incurs to enforce its rights, on an indemnity basis.

#### **Provision of further information**

25. The Applicant undertakes to comply with any request by the Supplier to provide further information for the purpose of assessing the Applicant's creditworthiness, including an updated credit application.
26. If the Applicant is a corporation (with the exception of a public listed company), it must advise the Supplier in writing within 14 days of any alteration to its corporate structure. For example, changing directors, shareholders, or planning or undertaking a material restructure. In the case of such changes the Supplier may ask for new guarantors to sign the attached guarantee and indemnity.

#### **Corporations**

27. If the Applicant is a corporation, the Applicant warrants that all of its directors have signed this agreement and that all of its directors will enter into a guarantee and indemnity with the Supplier in relation to the Applicant's obligations to the Supplier.

#### **Trustee Capacity**

28. If the Applicant is the trustee of a trust (whether disclosed to the Supplier or not), the Applicant warrants to the Supplier that:
  - (a) the Applicant enters into this agreement in both its capacity as trustee and in its personal capacity;
  - (b) the Applicant has the right to be indemnified out of trust assets;
  - (c) the Applicant has the power under the trust deed to sign this agreement; and
  - (d) the Applicant will not retire as trustee of the trust or appoint any new or additional trustee without advising the Supplier with at least 7 days prior notice in writing.
29. The Applicant must give the Supplier a copy of the trust deed upon request.

#### **Partnership**

30. If the Applicant enters into this agreement as partners, the Applicant warrants that all of the partners have signed or accept this agreement and that all of the partners will enter into a guarantee and indemnity with the Supplier in relation to the Applicant's obligations to the Supplier.
31. If the Applicant is a partnership, it must not alter its partnership (for example, adding or removing partners or altering its partnership agreement) without prior written notification being given to the Supplier. In the case of a change of partners, the Supplier may ask for new guarantors to sign a guarantee and indemnity.

#### **Insolvency**

32. If the Applicant becomes insolvent, the Applicant remains liable under this agreement for payment of all liabilities incurred hereunder. The Applicant remains liable under this agreement even if the Supplier receives an insufficient dividend or payment as a result of the Applicant being insolvent.

#### **Waiver**

33. A waiver of any provision or breach of this agreement by the Supplier must be made by an authorised officer of the Supplier in writing. A waiver of any provision or breach of this agreement by the Applicant must be made by the Applicant's authorised officer in writing.
34. Until the ownership of the goods passes, the Applicant waives its rights it would otherwise have under the PPSA:
  - (a) under section 95 to receive notice of intention to remove an accession;
  - (b) under sections 118 to receive notice that the Supplier intends to enforce its security interest in accordance with land law;
  - (c) under section 121(4) to receive a notice of enforcement action against liquid assets;
  - (d) under section 129 to receive a notice of disposal of goods by the Supplier purchasing the goods;
  - (e) under section 130 to receive a notice to dispose of goods;
  - (f) under section 132(2) to receive a statement of account following disposal of goods;

- (g) under section 132(4) to receive a statement of account if no disposal of goods for each 6 month period;

- (i) under section 37(2) to object to any proposal of the Supplier to retain or dispose of goods;
- (j) under section 142 to redeem the goods;
- (k) under section 143 to reinstate the security agreement; and
- (l) under section 157(1) and 157(3) to receive a notice of any verification statement.

### **Costs**

- 35. The Applicant must pay for its own legal, accounting and business costs and all costs incurred by the Supplier relating to any default by the Applicant. The Applicant must also pay for all stamp duty and other taxes payable on this agreement (if any).
- 36. The Applicant will pay the Supplier's costs and disbursements incurred in pursuing any recovery action, or any other claim or remedy, against the Applicant, including collection costs, debt recovery fees and legal costs on an indemnity basis. Such costs and disbursements will be due and payable by the Applicant to the Supplier irrespective of whether pursuit of the recovery action, claim or remedy is successful.
- 37. The Applicant acknowledges and agrees that payments by the Applicant will be applied by the Supplier as follows.
  - (a) Firstly, in payment of any and all collection costs and legal costs in accordance with clauses 18 and 36.
  - (b) Secondly, in payment of any interest incurred in accordance with clause 40.
  - (c) Thirdly, in payment of the outstanding invoice(s).

### **Taxes and duty**

- 38. The Applicant must pay GST on any taxable supply made by the Supplier to the Applicant under this agreement. The payment of GST is in addition to any other consideration payable by the Applicant for a taxable supply.
- 39. If as a result of:
  - (a) any legislation becoming applicable to the subject matter of this agreement; or
  - (b) any changes in legislation or its interpretation by a court of competent jurisdiction or by any authority charged with its administration;the Supplier becomes liable to pay any tax, duty, excise or levy in respect of the amounts received from the Applicant, then the Applicant must pay the Supplier these additional amounts on demand.

### **Interest rates**

- 40. The interest rate on any outstanding debts is a fixed rate of 12 percent per annual, calculated daily and compounding.

### **Set-off**

- 41. All payments required to be made by the Applicant under this agreement will be made free of any set-off, or counterclaim and without deduction or withholding.
- 42. Any amount due to the Supplier from time to time may be deducted from any monies which may be or may become payable to the Applicant by the Supplier.

### **Supplier Limits on Liability (Including credit, trade account and cash sales)**

- 43. The Supplier seeks to supply its goods, primarily being component goods, in reasonable compliance with the Applicant's purchase order specifications, and within the timeframe agreed. However, the Supplier limits its liability and its risk of supply. This because the Supplier competes with overseas suppliers that generally provide what is effectively zero at risk supply terms.
- 44. Accordingly, the Applicant accepts that its use of the Supplier's goods is at the limited risk of the Supplier.
- 45. The Supplier is not liable for any loss caused to the Applicant or other, by reason of strikes, lockouts, fires, riots, wars, pandemics, health orders, embargoes, civil commotions, acts of God or any other activity beyond the Supplier's control.
- 46. The Applicant also warrants, and it accepts without limitation, that it is responsible for the inspecting, testing and approving of the Supplier's goods, this prior to their use or their long-term warehouse storage by the Applicant.
- 47. The Applicant also admits that it has the right to acquire similar or the same goods as those sold by the Supplier, from other manufacturers and importers. Thus, the Applicant accepts that all Supplier goods need to be in advance, separately marked and or properly segregated, before any product liability claim can be made upon the Supplier.
- 48. In relation to the supply of goods found to be unsuitable or faulty, and such is the significant fault of the Supplier, then the Supplier's liability is always limited to:
  - (a) repairing or replacing its goods with similar goods and **to the original point of delivery;**
  - (b) or otherwise, if the Supplier so determines, providing to the Applicant the cost of having the Supplier's goods repaired. (Noting that this clause is to be applied with the following Clause 49).
- 49. It is accepted by the Applicant that the Supplier is not liable to fund nor reimburse the removal of its faulty or otherwise deficient goods from the Applicant's products, nor retrieve them from any remote to the Supplier location. This even in the case if the Supplier is found to have caused the Applicant to have to undertake a product recall or similar.

50. Further noting, that at all times, the Supplier may at its absolute discretion, refuse to recognise any claim by the Applicant for faulty, or similar, goods made forty-five (45) days after the supply or delivery of the goods.
51. Further, the Supplier is not liable, whether claims are made or not, for loss of profit, economic or financial loss, damages, consequential loss, loss of opportunity or benefit, loss of a right or any other indirect loss suffered by the Applicant.
52. Furthermore, should any of the above Supplier liability restriction clauses be rejected by a competent court, then the Supplier's liability **is still limited to ten (10) times** the sales value of the faulty goods found to be supplied, or \$50,000 - whichever is the lower amount. This regardless of the total loss or otherwise of the Applicant or any other.
53. In relation to the supply of services, the Supplier's liability is limited to:
  - (a) supplying the service again; or
  - (b) at the sole discretion of the Supplier providing for the cost of having the services supplied again by another; and
  - (c) as with the supply of goods, liability does not extend to any other costs or Applicant redress, and the Supplier's liability is never higher than the same ten (10) times sales value of the service.

#### **Miscellaneous**

54. The Applicant will, at the request of the Supplier, execute documents and do such further acts as may be required for the Supplier to register the security interest granted by the Applicant under the PPSA.
55. The Applicant agrees to accept service of any document required to be served, including any notice under this agreement or the PPSA or any originating process, by prepaid post at any address nominated in this application or any other address later notified to the Supplier by the Applicant or the Applicant's authorised representative.
56. The Applicant further agrees that where we have rights in addition to those under part 4 of the PPSA, those rights will continue to apply.
57. The Applicant irrevocably grants to the Supplier the right to enter upon the Applicant's property or premises, without notice, and without being in any way liable to the Applicant or to any third party, if the Supplier has cause to exercise any of their rights under sections 123 and/or 128 of the PPSA, and the Applicant shall indemnify the Supplier from any claims made by any third party as a result of such exercise.
58. Nothing in this agreement shall be read or applied so to as to purport to exclude, restrict or modify or have the effect of excluding, restricting or modifying the application in relation to the supply or any good and/or services pursuant to this agreement of all or any of the provisions of the *Competition and Consumer Act 2010* or any relevant State or Federal legislation which by law cannot be excluded, restricted or modified.

#### **Severance**

59. If any provision of this agreement is not enforceable in accordance with its terms, other provisions which are self-sustaining are, and continue to be, enforceable in accordance with their terms.
60. If any part of this agreement is invalid or unenforceable, that part is deleted, and the remainder of the agreement remains effective.

#### **Variation**

61. The Applicant agrees that these terms and conditions may be varied, added to, or amended by an authorised officer of the Supplier at any time by written notice to the Applicant.
62. Any proposed variation to these terms and conditions by the Applicant must be requested in writing. The Supplier may refuse any such request without providing reason either orally or in writing.

#### **Consent to Register**

63. The Applicant hereby consents to the Supplier recording the details of this Agreement on the Personal Property Securities Register and agrees to do all things necessary and reasonably required by the Supplier to achieve such registration.
64. The Applicant waives any right or entitlement to receive notice of the registration of any security interest(s) created by this instrument on the Personal Property Securities Register.

#### **Entire agreement**

65. This Agreement constitutes the entire agreement between the parties relating in any way to its subject matter. All previous negotiations, understandings, representations, warranties, memoranda, or commitments about the subject matter of this agreement are merged in this agreement and are of no further effect. No oral explanation or information provided by a party to another affects the meaning or interpretation of this agreement or constitutes any collateral agreement, warranty or understanding.

#### **Variation**

16. The Guarantors authorise the Supplier to give time or any other indulgence or consideration to the Applicant in respect of compliance with its obligations to the Supplier, even if giving time or any other indulgence or consideration has the effect of increasing the Guarantors' liability under this guarantee and indemnity.
17. The Guarantors agree that this guarantee and indemnity will not be avoided, released or affected by the Supplier making any variation or alteration in the terms of its agreement(s) with the Applicant, even if such variation or alteration has the effect of increasing the Guarantors' liability under this guarantee and indemnity.
